Attached is a PDF of the oaths of office for both treasurer and watermaster. Based on the minutes, it looks like Brian was elected watermaster and Don Picket was elected treasurer, so please fill them out, have them signed, notarized and return them to the Twin Falls office as soon as possible. **Under sections 42-605 & 42-619, IDAHO CODE, the watermaster and treasurer are required to take an oath of office prior to performing their duties.** Please let me know if you have any questions.
